

# Wüstenkrieger

~~Ich drehte mich um, als ich das Klicken der Kamera hörte.~~  
#roleplay #fantasy #tahari #norman #gor #kaffiyeh #agal

*The man, rare in Port Kar, wore the kaffiyeh and agal. The kaffiyeh is a squarish scarf, folded over into a triangle, and placed over the head, two points at the side of the shoulders,*

*one in back to protect the back of the neck. It is bound to the head by several loops of cord, the agal. The cording indicates tribe and district. ([John Norman: Tribesman of Gor](#))*
