Rotfiguriger [Kylix](#) (ca. 475 v. Chr.) von [Apollodoros](#): Eine Frau massiert die Schamlippen einer anderen ([Quelle](#))

[Kdosha](#) is the Hebrew word for „feminine holiness“, while [Kdesha](#) is the word for a „female prostitute.“ These two words are very close and they share the same root. Rabbis don't like this but God, whose mother tongue is Hebrew, seems to. (Aus [Tuvia Tenenboms](#) „Catch The Jew!: Eye-opening education“)
